MEMORANDUM FOR: Assistant for Administration

ATTENTION : Chief, Logistics Branch

THROUGH : Assistant for Plans and Development

SUBJECT : Authorization to Complete the Order for ☐ Model 45  
Multi-Motion Twin 70 Light Tables

1. It is requested that ☐ be authorized to complete the order for the remaining eleven (11) Model 45 Multi-Motion Twin 70 Light Tables under Contract ☐ dated 15 June 1963.

2. The delivered prototype of the table has been evaluated by members of the Development Branch, P&DS, and two copies of the evaluation were forwarded to you with a memorandum dated 7 August 1963. As stated in the memorandum, all deficiencies, discussed in the evaluation report, would be corrected except two. These two items will be improved but not fully corrected since additional design and tooling would be involved in full correction.

3. Upon delivery and approval of the eleven tables, deficient parts from the prototype will be returned to ☐ for modification or replacement.
